## work experience

Dean's Office Marketing and Communications Assistant Eugene Lang College – New York, NY
Developed and implemented social media strategies to strengthen on-campus student engagement. Managed social media channels, as well as produce digital content and copy for each channel. Liaised with graphic designers to conceptualize and design collateral for digital and print production.
Social Media Content / Production Intern TELFAR Global – New York, NY
Assisted Creative Director with producing relevant visuals and copy for the brand's Instagram platform. Cataloged merchandise pull requests, as well as corresponded with press for receiving and returning pulls. Located and handled props during photo shoots.
Digital Imaging Specialist Participant Inc. – New York, NY
Documented Baseera Khan's artwork for her solo exhibition "iamuslima," and retouched the artist's photographs.
Marketing and Communications Intern El Museo del Barrio – New York, NY
Assisted the Content Strategist with developing copy for social media campaigns. Maintained the digital file organization of the Museum's collection and archives.
